

DAVID LONG

Souderton, PA 18964
Cell: (215)317-4535
del43@drexel.edu

PROFILE

Architecture student at Drexel University with experience in drafting, rendering, BIM and creative designing.

SKILLS

- | | |
|---------------------------|---------------------------------------|
| → AutoCAD | → Adobe Photoshop |
| → Revit | → Adobe Illustrator |
| → Maxwell Render | → Rhinoceros |
| → Sketching | → Microsoft Office & Adobe Formatting |
| → Physical Model Building | → Customer/client service |

PROFESSIONAL EXPERIENCE

ENGINEERING DESIGN STUDIO LLC (EDS)

Camden, NJ

CAD Specialist, Intern Architect/Draftsman

09/2014 to Current

In combination with DCM (Design Construct Maintain) Architecture and Engineering, duties include: drafting a variety of plans which range from security device layouts to drainage mapping of historical structures, reading and reviewing legal documentation, formatting/contributing to documents which range from phase one environmental reports to health and safety plans, traveling to job sites to aid in tasks ranging from collecting soils from test pits and taking pipe measurements from manholes to taking photographs for site analysis and utilizing drafted material for onsite analysis.

GIANT FOOD STORES

Mechanicsburg/Souderton, PA

Cashier: Customer Service Desk

07/2008 to 09/2014

The needs of every customer were tended to, these included: solving customer problems, diffusing customer to company disputes, handling money transfers through Western Union and selling products. My largest responsibility is making sure that every customer leaves the store satisfied.

CRABTREE, ROHRBAUGH AND ASSOCIATES ARCHITECTS

Mechanicsburg, PA

High School Intern

08/2008 to 01/2009

Drawings were recreated on AutoCAD and insight into the field was acquired through architectural professionals around me including site visits with mentor Jeff Straub. See attached reference letter.

EDUCATION AND TRAINING

DREXEL UNIVERSITY
Philadelphia, PA

09/2013 to Expected Graduation 2017

Architecture

Design coursework includes a focus on architectural design, research and site analysis, sustainable thinking, graphic design, rendering and modeling (both digital and physical). Supplemental coursework includes architectural history (including a Philadelphia specific course), watercolor rendering, digital modelling, as well as material and structural analysis.

HARRISBURG AREA COMMUNITY COLLEGE
Harrisburg, PA

08/2009 to 06/2013

Transfer: Architecture

Two years were spent as a general studies major with a concentration in chemical engineering prep classes, including two levels of calculus. Two more years were spent in architecture school before transferring. Architectural coursework focused on analog and computer graphics as well as spatial/architectonic design through graphics and spatial models. Supplementary architectural history, site planning and GIS courses were included.

RE: Letter of Recommendation for David Long

David worked for Crabtree, Rohrbaugh and Associates during his senior year at Mechanicsburg Area Senior High School as an Architectural Intern. David comes highly recommended by both Jeff and I.

While working with an architectural team lead by Director Jeff Straub, R.A. and myself, David assisted with general architectural drafting and became very efficient working with ACAD. We relied on David to support our team with project deadlines and detailing. His resourcefulness and ability to see a project through really made him an asset to the team.

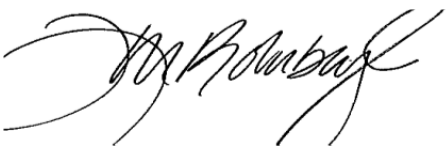

David was able to observe every step of the design process, working with our staff and learning how an architectural practice functions.

During this time, he was an effective communicator; working on varying projects, and his ability to work collaboratively and effectively was outstanding.

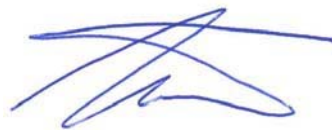

Please feel free to personally contact myself or Jeff Straub to discuss David. I am sure that he will be successful in any venture he sets forth to accomplish.

Sincerely,

CRABTREE, ROHRBAUGH & ASSOCIATES

Tracy M. Rohrbaugh
Director of Interior Design/Human Resources

R. Jeffery Straub, R.A.
Director/Sr. Project Manager
